

How to Find Your Pictures

(See below for some sample pictures)

1. Go to the picture website – Click [HERE](#)
2. Enter your BIB NUMBER in the box, click GO.

Use [[Next Page](#)] and [[Previous Page](#)] to find your pictures
If your bib number was not visible, use next option (time).

3. If you remember the time you passed the photo station
Use the pull down menus to select the **Hour & Minutes**. Click **GO**
Use [[Next Page](#)] and [[Previous Page](#)] to find your pictures
4. Once you locate your picture – click on it

If you Pre-purchased your picture(s) online, click on “Use Photo Certificate” and use your zip code as your Photo Certificate number. Otherwise use the Photo Certificate that was given to you.

Select any of these options or the [?] for more details

5. Repeat this process for other pictures
We took at least 3 pictures (many times 6) of everyone

6. Our cameras were at the following location

Use these Lat/Long or mileages with your GPS recorder to find the time you passed these locations.

4112 Cross Rd, Livermore: Latitude 37.67337, Longitude -121.667995 About 23.5 miles into the ride
